[Juvenile]

Juvenile and Mario pimping and we
on deck so stay tune to ya
programs cause we on next I wanna
women catching the wall
unless you got that disease no ass
at all for the hood for the
club videos whatever I got that
Oldschool, Bently or the
Porch carara profiling with the
top off wilding looking for a
dime piece I can not off.

[Mario Verse 1]

Up in the spot siping on a lil something feeling like this
joint is about to pop off looking
around trying to spot a lil something trying to see what
somebody talking about and if it's good
i'm going lend my ear tune a lil bit game all in my ear I
think I found a window overhere
homegirl is all up in my face like (boom) oh yes indeed
all we needed was a hell of a beat like boom and
we goin to jam cause i'm like a yet a night.

[Chorus]

Hold up it's like boom that's that beat we like better
make this party jump (boom) Dj spin that
twice we about to tear this club up (boom) ladies you
gotta move something (boom) cause the
fellas wanna see ya shake something like (boom)we
got the party gettin crunk if you don't give a
dame gone throw it up now.

[Mario Verse 2]

No more siting on the wall lil shorty starting to feel like
a stone cold party don't be actin like
you cant't sit wit me everybody in the club getting tipsy
ain't this beat on fire Dj spin it back
one more time fill my glass up one more time we goin
to start it up right on time like (boom).
Yes indeed all we need is a hell of a beat like boom and

we goin to jam cause i'm like a yet a
night.

[Chorus]

[Repeat 2x]

Hold up it's like boom that's that beat we like better
make this party jump (boom) Dj spin that
twice we about to tear this club up (boom) ladies you
gotta move something (boom) cause the
fellas wanna see ya shake something like (boom)we
got the party gettin crunk if you don't give a
dame gone throw it up now.

[Juvenile]

She know about grill and want to see my teeth and if we
every bumb heads she want to be my freak
she pulling on me beacause she fill that heat she don't
wanna go to sleep she wanna feel that meat plus
a lil Jon beat player run that back it's alright if you a lil
tipsy and you fall off track im's
filling a lil friendly cause I just had me a drink she
truiking over there i'm about to see what
she thinks

[Mario Brige]

Say oh lets take it to the floor (B-More let's go) Say
yeah do it like you don't care (oh A-town
down) We goin to do it all from the windows to the wall
let's go let me see ya get low get low
get low get low Repsent yo town (B-More, B-More) throw
up your hood (A-town A-town) Repsent yo
town (Jersey Jersey) throw your hood (Get down now)
Repsent yo town (LA Let's go) Throw up your
hood (Chicago) Repsent yo town (Miami) throw up yo
hood (New York)

[Chorus]

[Repeat 2x]

Hold up it's like boom that's that beat we like better
make this party jump (boom) Dj spin that
twice we about to tear this club up (boom) ladies you
gotta move something (boom) cause the
fellas wanna see ya shake something like (boom)we
got the party gettin crunk if you don't give a
dame gone throw it up now.
