The girls so bad, you'd be like how
finer than my ex and the girl I've got now
5 foot frame, shorty keeps it tight
and if your with your girl, best be look'in for a fight
cuz a brotha's gonna stop and stare precautions man
you won't care
and one look is never enough
she be walkin and be talkin with so much love
man I'm tellin you
if you think she's bad look at her crew
tell me what's a brotha to do
sophisticated and she's gangsta too
(chorus)
that chick with the braids (chick with the braids) in a
escalade (escalade) oh hunnie lookin warm with the
chocolate skin
but I herd she was triffilin
girlz got the briads, sparkin dk shades hunnie lookin
warm with the caramel skin
but I herd they were triffilin

her man's lock down so brotha's got room sad he ain't
commin home no time soon
I checked her hand, I didn't see no ring
I ask about her and I herd some things
I can't let her get away
hunnies around my never nothin good to say
hate the attention of all the fellas pay

(chorus)

she's the banginest chick I've ever known
banginest, banginest
how could some one so beautiful be so triffilin
they must be rumors, and they must be lies
(blowin my mind).....must be lies
other girlz can't stand her but I can't see why
(why, why, why, why)

(chorus untill fade)
