Where did you come from
I wanna thank your moms
For bringing you into this life
And making you my type
Don't hold this against me
But I can't help but stare
While you over there
I want you right here
Come on baby baby Come on
Come on baby baby Come on
Can't you look at me and tell
That you got something that I want
So come on baby baby baby baby baby
Baby baby baby baby baby come on
You got the best lookin jeans
I've ever seen
So baby won't you shake it for me
Ooh, don't play hard to get
You ain't got a thing to lose
I know you feel me too
Staring from across the room
I just wanna get closer
To ya
We can talk later right now
I wanna see you move
Come on
Come on baby baby Come on
Come on baby baby Come on
Can't you look at me and tell
That you got something that I want
So come on baby baby baby baby baby
Baby baby baby baby baby come on
You got the best lookin jeans
I've ever seen
So baby won't you shake it for me
Come on baby baby Come on
Come on baby baby Come on
Can't you look at me and tell
That you got something that I want
So come on baby baby baby baby baby
Baby baby baby baby baby come on
You got the best lookin jeans

I've ever seen
So baby won't you shake it for me
I love the way you
Keeping ya distance
Making me persistent
I gotta get next to you
Feel you shake, shake
Shake shake shake it on me
Can't wait no longer
