My palms are sweating, heart is racing,
man im ??? back and forth
Cant believe shawty got a nigga tripping like this yeaah
when i see her walking over i loose my composure
around my friends i just pretend im doing fine
but i cant get her face out of my head
when i close my eyes, i die...

whenever she comes around
i cant keep my feet of the ground
whenever she comes around
she picks me up and i dont know whats going down
whenever she comes around
some bigger feelings take control of me and
i cant understand why
whenever she comes around
whenever she comes around, whenever she...

i think i cant take it, these sweet sexy faces
around my friends i just pretend im doing fine
but i cant get her face out of my head
when i close my eyes, i die...

whenever she comes around
i cant keep my feet of the ground

whenever she comes around
she picks me up and i dont know whats going down
whenever she comes around
some bigger feelings take control of me and
i cant understand why
whenever she comes around
whenever she comes around, whenever she...

i cant find numbers, cant find letters, cuz im lost for
words

my nerves

and it hurts...

whenever she comes around
i cant keep my feet of the ground
whenever she comes around
she picks me up and i dont know whats going down
whenever she comes around
some bigger feelings take control of me and
i cant understand why
whenever she comes around
whenever she comes around, whenever she...
