These conversations
got me in the mood
I'm bout to catch a cab to your place girl
'cause I've been waiting and you know what I
wanna do
I'm thinking that's it's time we escape girl
'cause skype cant give me what I need right now,
right now
I don't wanna text you, I just wanna sex you baby

Chorus:
No more computer love,
because girl i refuse to log on
when I wanna see you baby
no more computer love,
how about we try looking each other in the face tonight
no more, no no
computer-puter-puter love

(verse 2)
Find stimulation
with all your clothes removed
I'll make you arrive right away girl
been contemplating
but now it's me on you

I'll put in the time that it takes girl
'cause skype can't give me what I need right
now, right now
and I don't wanna text you, I just wanna sex you
baby

Chorus:
No more computer love, (computer, puter puter love)
because girl i refuse to log on
when I wanna see you baby
no more computer love,
how about we try, how about we try,
looking each other in the face tonight
whoaa.

turn the lights off,
cause touching is way better girl
and ill show you how,
we'll explore all the new positions girl,
cause i got you in person now,
oooooh baby no..

(Chorus)

No more computer love, (computer, puter puter love)
because girl i refuse to log on
when I wanna see you baby
no more computer love,
how about we try, how about we try,
looking each other in the face tonight
no more no no
computer puter puter love,
because we refuse ooh i wanna face to face baby,
