Damn...
All i could do
All i could say
is that im sorry
(sorry sorry sorry sorry)Fading

i know i really messed up this time
Just here me out

[Verse 1:]
Ohhh.. you should of shown me a little more love
(but still there aint no reason)
for me to walk out on this thing called "us"
(but you keep giving me the feeling)
that i should throw the towel in
(cause we can't keep each other no way)
cause me out in front of my friends not giving a damn
on how i feel

[Bridge:]
I dont even want
(i dont want to be the guy with the tricks around you)
and you dont even know
(how many times i asked your momma what i should
do)
And its my fault
(and its my fault im in a situation i may not get through)
i got bad news that i gotta break to you
i know you gonna act a fool but i gotta let her know

[Chorus:]
I had a girlfriend pinned up
in between that week we split up
it was looking so good i couldn't say no
I think it's time you know
everytime that i see you with her
i was thinking how i was picking them legs up
it's ashame when a man just can't say no
ohh yea

[Verse 2:]

See what is done is done
and i realize now ain't no taking it back
i committed the worst crime i could eva do to my girl
(damn she ain't neva gonna forgive me)
everytime that you through a fit
my two-way she hits saying "im on the way"
putting it down in out, up and d0wn, anyway that i say
but baby girl i really didn't wanna!

[Bridge:]
