Damn...  
All i could do  
All i could say  
is that im sorry  
(sorry sorry sorry sorry)Fading  
listen to me  
i know i really messed up this time  
Just here me out

*[Verse 1:]*

Ohhh.. you should of shown me alittle more love  
(but still there aint no reason)  
for me to walk out on this thing called "us"  
(but you keep giving me the feeling)  
that i should throw the towel in  
(cause we can't keep eachother no way)  
Cussing me out in front of my friends not giving a  
damn on how i feel

*[Bridge:]*

I dont even want  
(i dont want to be the guy with the tricks around you)  
and you dont even know  
(how many times i asked your momma what i should  
do)  
And its my fault  
(and its my fault im in a situation i may not get through)  
i got bad news that i gotta break to you  
i know you gonna act a fool but i gotta let her know

*[Chorus:]*

I had a girlfriend pinned up  
in between that week we split up  
it was looking so good i couldn't say no  
I think it's time you know  
everytime that i see you with her  
i was thinking how i was picking them legs up  
it's ashame when a man just can't say no  
ohh yea

*[Verse 2:]*

See what is done is done

and i realize now ain't no taking it back  
i committed the worst crime i could eva do to my girl  
(damn she ain't neva gonna forgive me)  
everytime that you through a fit  
my two-way she hits saying "im on the way"

putting it down in out, up and d0wn, anyway that i say  
but baby girl i really didn't wanna!

*[Bridge:]*

(i dont want to be the guy with the tricks around you)  
wooooahhhh...  
you don't even know ... Hey  
(how many times i asked your momma what i should  
do)  
she didn't even knowwww  
(and its my fault im in a situation i may not get through)  
i got some real bad news to tell you  
and i know you gonna act a fool  
She really needs to know!

*[Chorus]*

I had a girlfriend pinned up (ohhhh ..yea)  
in between that week we split up  
it was looking so good i couldn't say no  
(its gonna be bad but i gotta let a know)  
everytime that i see you with her  
i was thinking how i was picking them legs up (picking

it's ashame when a man just can't say no

*[Bridge]*

(i dun messed up)  
gave up all i had with you  
just for a fast  
(its a pleasure)  
that can never replace you  
one more chance  
(its a treasure)  
girl you made mistakes too

*[Chorus: 2x]*

I had a girlfriend pinned up  
in between that week we split up  
(remeber when we broke up)  
it was looking so good i couldn't say no (i couldn't say

I think it's time you know  
everytime that i see you with her  
i was thinking how i was getting up in ha (getting up in
