I say I do?

She say u do

I say I do but I really don't because it's u that I really want

And we can do what u really want

Girl we grown

And if he ain't gon treat u right

Then I ain't gon treat u wrong

That's my word

And she heard so many lies

She don't kno what's true or not

Shawty like a valley service I swear she been through alot

But I but her car in park and never let her cry alone

I listened to her heart beat because it plays my favorite song

Mario Verse

I can hear your heart crying out for me (crying out for me)

I can hear your heart crying out for me

(And it keeps on saying) Come on in, come on in come on in and save

(And it keeps on saying) Come on in, come on in come

on in and save

(I can baby) I can hear your heart crying out for me

Baby, I should've never caught feeling

But baby having late night conversation on your sofa

You telling me how he played you out over and over,  
over and over

But I'm stuck in the middle of seeing you hurt

I know when you love him

And you wanna make it work

And I can't help but think that I knew you first

It's getting louder

Girl I can't ignore it no more baby

I can hear your heart crying out for me (crying out for  
me)

I can hear your heart (oh yeah) crying out for me

(And girl it's saying)

Come on in, come on in, come on in and save (Save  
me)

Come on in, come on in, come on in and save (oh oh  
oh)

I can hear your heart (I can hear it yeah) crying out for  
me

Girl it's crying it's crying

I don't wanna confuse things (no)

But I just can't keep lying to myself

When you're holding me (when you're holding me)

I can feel your pain oh baby let me be your dream

I'm the answer come see me (see me)

And u don't have to cry no more (u don't have to cry)

Girl I can hear your heart baby

I can hear your heart

Girl it's crying

Won't you listen to your heart, baby

I can hear your heart crying out for me (girl it's crying out for me)

I can hear your heart crying out for me

(And it's saying)

Come on in, come on in, come on in and save (Save me)

Come on in, come on in, come on in and save

I can hear your heart crying out for me

Girl I can hear, hear it cry for me, for me, for me, for me

Ladies wave your hands in the air

Ladies wave your hands in the air

Oh baby

It's crying for me

It's crying for me for me
