[Chorus - Mario]

I can hear your heart crying out for me (crying out for  
me)

I can hear your heart crying out for me  
(And it keeps on saying) Come on in, come on in come  
on in and save me  
(And it keeps on saying) Come on in, come on in come

(I can baby) I can hear your heart crying out for me

[Verse 2 - Mario]

Baby, I should've never caught no feelings  
But baby having late night conversation on your sofa  
You telling me how he played you out over and over,  
over and over

But I'm stuck in the middle of seeing you hurt  
I know when you love him  
And you wanna make it work  
And I can't help but think that I knew you first  
It's getting louder  
Girl I can't ignore it no more baby

[Chorus - Mario]

I can hear your heart crying out for me (crying out for  
me)  
I can hear your heart (oh yeah) crying out for me  
(And girl it's saying)  
Come on in, come on in, come on in and save me (Save  
me)  
Come on in, come on in, come on in and save me (oh  
oh oh)  
I can hear your heart (I can hear it yeah) crying out for  
me  
Girl it's crying it's crying

[Bridge - Mario]

I don't wanna confuse things (no)  
But I just can't keep lying to myself  
When you're holding me (when you're holding me)  
I can feel your pain oh baby let me be your dream  
I'm the answer come see me (see me)  
And u don't have to cry no more (u don't have to cry)

Girl I can hear your heart baby  
I can hear your heart  
Girl it's crying  
Won't you listen to your heart, baby

[Chorus - Mario]

I can hear your heart crying out for me (girl it's crying  
out for me)  
I can hear your heart crying out for me  
(And it's saying)

Come on in, come on in, come on in and save me (Save me)

Come on in, come on in, come on in and save me  
I can hear your heart crying out for me

Girl I can hear, hear it cry for me, for me, for me, for me

Ladies wave your hands in the air  
Ladies wave your hands in the air

come on baby  
It's crying for me  
It's crying for me for me
