How do u deal with a lil' rejection
Make a n*gga feel like he got an infection
I was used to bein' the person on the other side
Now I got a taste and no it ain't nothing nice

Sometimes I gotta fight of a lil' depression
I've been messed up since we lost connection
Got a couple of girls I could call right now
But don't mean nothin' when it's all goin' down

Cause see I only want u tonight
And yeah I called Amanda up
But it's just not feeling right
I made a call to Keysha too but I'm stuck

Only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
Still thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u tonight

Now when I think of u I think a lil' harder
Now when at time I think of u I drink a lil' harder
Tryna do whatever just to keep u of the brain
Girl u know u really got me going insane
You know you drive me crazy crazy crazy
U used to be my lady lady lady
I used to be your lover lover lover
No u don't need no other other other

But I only want u tonight
And then I called Alicia up
But it's just not feeling right
Made a call to Keysha too but I'm stuck

Only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u

I'm only thinkin' of u
Still thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u tonight

[Instrumental]

Cause see I only want u tonight
And yeah I called Amanda up
But it's just not feeling right
Made a call to Keysha too but I'm stuck

Only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
Still thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u tonight

Only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
Still thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u
I'm only thinkin' of u tonight
