Kanye:

This song's for all the posers tryin' ta make out that  
they all bad an' shit  
Man, y'all spread it so thick you could mulch my lawn  
I don't claim to be a bad gangsta like y'all wannabes  
Ya see, I'm just a regula nigga an I'm keepin' it real  
(Hey, Hey)

Mario:

I ain't no gangsta an' I ain't no thug  
The F.B.I. ain't tryin'a lock me up  
But if you keepin' it real, girl, I could be yo man  
Got a heart fulla lovin' an a natural tan

Kanye: T's like dese cat's dat I see all be tryin ta front  
If ya see me on the block, I'm just out havin' fun  
When I see a cop crusin' I don't take off on a run  
Feel that bulge in my pocket, that's me, girl, tain't no  
shotgun

Mario:

I ain't no gangsta an' I ain't no thug  
The F.B.I. ain't tryin'a lock me up  
But if you keepin' it real, girl, I could be yo man  
Got a heart fulla lovin' an a natural tan

Kanye:

My teeth ain't gold, dey a natural white  
An' I'll defend myself, but I aint lookin' ta fight  
Some dudes say dey ballin', but that aint me  
I'm just a regular nigga, what you get's what you see

An I ain't droppin' me money like it's made outa piss  
I don't bathe in champagne, man, that's ludacriz!  
If ya come to da club, in the center you'll find me  
Gettin' down with girls, not bodyguards, around me

Kulcha Don:

Dese foos wanna play dat dey sumptin dey not  
Dey tink dey rep'd be bettah if dey sinned n' got caught  
But I tink dey brains fried 'cause a life on de run

Can't compare wid bein crazy krunk n' out havin fun

If you hear your door-a knockin do you think it's de  
cops

Do you hide in your basement till dat bangin stops?

Well my door's always open and de party is on

So forget all dem posers, bring your girls an come on

Kanye:

So if ya see me on de street, girl, just come up an' say  
'hi'

'cause I'm a whole lot crazy an' a lil' bit shy

Can you love a real boy? I ain't got no disguise

All I got is de love that ya see in dese eyes

Mario:

I ain't no gangsta an' I ain't no thug

The F.B.I. ain't tryin'a lock me up

But if you keepin' it real, girl, I could be yo man

Got a heart fulla lovin' an a natural tan
