Hello
something happened so strange
its like i gotta new mind new frame
(Hello)
babygirl your the baddest the hottest the modest
something happened when you said
(Hello)
i wanna get to know ya
i wanna be there for ya
all it took was one
(Hello)
babygirl your the badddest the hottest
the modest
something happened when you said

all the women(goodbye)
the clubs (goodbye)
gettin a room every weekend
hangin out late wit my friends
i was in love wit a stripper
i told her bye
and everything that used to go on
in my life
i let it go when ya said

Hello
something happened so strange
its like i gotta new mind new frame
(Hello)
babygirl your the baddest the hottest the modest
something happened when you said
(Hello)
i wanna get to know ya
i wanna be there for ya
all it took was one
(Hello)
babygirl your the badddest the hottest
the modest
something happened when you said
Hello

breakin hearts

makin the girls cry bein the bad guy i said
(goodbye)
im livin by my motto
Pimp or Die
well consider me dead then
in my casket
'cause when i saw you i might as well been in heaven
with one of GODS favorite angels
welcoming me wit a Hello

(Hello)

something happened so strange
its like i gotta new mind new frame

(Hello)

babygirl your the baddest the hottest the modest
something happened when you said

(Hello)

i wanna get to know ya
i wanna be there for ya
all it took was one

(Hello)

babygirl your the badddest the hottest
the modest
something happened when you said

im in a hurry to make love
