Ahh ahh ahhh ahh

I'm driving down the highway  
Move get out of my way  
Trying to get to my baby  
Speedin' fast can't stop  
Screamin' out off the cops  
Gotta make it to my lady

And if I know her  
I'm sure she's waiting up for me  
She won't sleep until I get home (till' I get home)  
She's been waiting all day  
Trust me girl it's worth the wait  
I'm only 5 exits away  
Ohh baby girl

I'm on the highway highway highway to love  
I take the exit to your heart girl I can't get enough  
There's only one way one way one way's enough  
Just take the highway to love and you'll be there

Baby before I get home  
Sure you play your favorite song  
And get yourself in the mood

And while you think of you and me  
Just put it on repeat  
Girl I know sometimes you get lonely

But if I know her  
I'm sure she's waiting up for me  
She won't sleep until I get home (till' I get home)  
She's been waiting all day  
Trust me girl it's worth the wait  
baby girl I'm only 1 exit away  
(and I'm drivin' on the highway)

I'm on the highway highway highway to love  
I take the exit to your heart girl I can't get enough  
There's only one way one way one way's enough  
Just take the highway to love and you'll be there

I'm on the highway highway highway to love  
I take the exit to your heart girl I can't get enough  
There's only one way one way one way's enough  
Just take the highway to love and you'll be there
