How do I breathe, yeah
How do I breathe, yeah

[Verse:]

It feels so different being here,
I was so used to being next to you,
Life for me is not the same,
There's no one to turn to.
I don't know why I let it go too far,
Starting over - it's so hard.
Seems like everywhere I try to go,
I keep thinking of you.

[Hook:]

I just had a wake up call,
Wishing that I never let you fall,
Baby you are not to blame at all.
Remember when I pushed you away.
Baby if you knew I cared,
You'd have never went nowhere (nowhere),
Girl I should've been right there.

[Chorus:]

How do I breathe
Without you here by my side?
How will I see
When your love brought me to the light?
Where do I go
When your heart's where I lay my head?
When you're not with me,
How do I breathe?
How do I breathe?

[Verse:]

Girl I'm losin' my mind.
Yes I made a mistake.
I thought that you would be mine.
Guess the joke was on me.
I miss you so bad, I can't sleep.
I wish I knew where you could be.
Another dude is replacing me,
God this can't be happening.

[Hook:]

I just had a wake up call (call),
Wishing that I never let you fall (fall),
Baby you are not to blame at all.
When I'm the one that pushed you away
Baby if you knew I cared (cared),
You'd have never went nowhere (nowhere),
Girl I should've been right there.

[Chorus:]

(And I wonder...)
How do I breathe
Without you here by my side?
How will I see
When your love brought me to the light?
Where do I go
When your heart's where I lay my head?
When you're not with me (I'm saying),
How do I breathe?
How do I breathe?

[Verse:]

I can't get over you no (ooh)
Baby I don't wanna let go.
Girl you need to come home,
Back to me
'Cause girl you made it hard to breathe
When you're not with me.

[Chorus:]

(Tell me)
How do I breathe
Without you here by my side?
How will I see
When your love brought me to the light?
Where do I go (where, oh, where, oh, I go)
When your heart's where I lay my head?
When you're not with me,
How do I breathe?

How do I breathe?

[Some speaking starts]

Without you here by my side?
How will I see (how will I see)
When your love brought me to the light (baby, baby)?
Where do I go (where do I go)
When your heart's where I lay my head?
When you're not with me (you're not with me),
How do I breathe (how do I breathe)?
How do I breathe? Yeah
