Your love
Your love
Your love, magnetic
So so so automatic
All I gotta do is think of you
Crazy in love that's what it do
Talkin' 'bout your love
Your love
Your love, bananas
So much girl almost can't handle it
So real, you kill, I heal
Hear a broken record playing
You don't fight for me
But the truth is girl I can't
Cause my words don't hold no weight
Would it even matter baby if

I had every heart in the world
Owned all the diamonds and flowers, unlimited hours
Still couldn't prove to you girl
Just how much you're worth to me
I don't deserve to be yours, yours, yours
Yours, yours, just how much you're worth to me
I don't deserve to be yours

Your love
Your love
Your love, contagious
But it ain't enough to save us
Give and I'll take you something back
What kind of man wouldn't give it back
The way, the way, the way you're doing it
The way I give foreplay and ruin it
So real, you kill, I heal
Hear a broken record playing
You don't fight for me
But the truth is girl I can't
Cause my words don't hold no weight
Would it even matter baby if

I had every heart in the world

Owned all the diamonds and flowers, unlimited hours
Still couldn't prove to you girl
Just how much you're worth to me
I don't deserve to be yours, yours, yours
Yours, yours, just how much you're worth to me
I don't deserve to be yours

If I had every heart in the world
Owned all the diamonds and flowers, unlimited hours
Still couldn't prove to you girl
Just how much you're worth to me
I don't deserve to be yours, yours, yours
Yours, yours, just how much you're worth to me
I don't deserve to be yours, yours, yours
Yours, yours, just how much you're worth to me
I don't deserve to be yours, yours, yours
Yours, yours, just how much you're worth to me
I don't deserve to be yours, yours, yours
Yours, yours, just how much you're worth to me
