Spoken:

Ya'know

Someone loses someone

They love everyday

And I'm fortunate enough

To still have you

In my life

And I know I made

Some mistakes in my past

But I'm tired

Of making excuses

Listen

For whatever might have been

And all that it never was

Whatever I couldn't see

And all that I didn't want

There was a method

To my madness girl

That wasn't clear to me

Until the day

I saw your face

When I saw everything

For I saw us dancing

Through sunshine and rain

And I saw us laughing

Through joy

And through pain

And I saw time passing

But we did not change

And I still

Saw us together

At the end of everyday

Whenever you wanted

Whenever you need it

Whatever you feel

Like it's gone be

Like you

Better believe it

Whenever you feel

Like dancing

You don't have  
To dance alone, no  
You don't  
You don't  
You don't  
You should  
Already know

I choose you  
I choose you  
I choose you  
I choose you  
I choose you  
(Yeah)  
I choose you  
(Yeah)  
I choose you

I felt you inside myself  
Before I could even feel  
I knew you like no one else  
But still I couldn't tell  
Girl none of it made sense to me  
Girl none of it was real  
Until the day I saw your face  
And it was clear to see

Whenever you wanted (Whenever you wanted)  
Whenever you need it (Whenever you need it baby)  
Whatever you feel  
Like it's gone be  
Like you better believe it (Like you better believe it)  
Whenever you feel  
Like dancing  
You don't have  
To dance alone, no (Oh no)  
You don't  
You don't  
You don't  
You should  
Already know

I choose you (I choose you babe)  
I choose you (I choose you girl)  
I choose you (I choose you)  
I choose you (You know that I choose you baby)  
I choose you (Oh)  
(Yeah)  
I choose you  
(Yeah)  
I choose you

Throuhgout all times  
People have searched  
Their lives  
Hoping they might  
Find a chance  
Where they can make  
Things right  
Throguh my desire  
Thank God  
I found the fire  
Oh  
For everything  
Has lead me  
Straight to you, you

Whatever you wanted  
Whenever you need it (Baby)  
Whatever you feel  
Like it's gone be  
Like you  
Better believe it (Oh you better believe it)  
Whenever you feel (Whenever you...)  
Like dancing  
You don't have  
To dance alone, no (No! )  
You don't  
You don't  
You don't  
You should  
Already know

I choose you  
I choose you  
I choose you  
I choose you  
I choose you  
(Yeah)  
I choose you  
(Yeah)  
I choose you (I choose you, yeah)

I choose you (Oh baby doll)  
I choose you (I choose you yeah)  
I choose you (Said I'm choosing you)  
I choose you (Oh baby baby)  
I choose you (Girl I made up my mind)  
(Yeah)  
I choose you (And I choose you, Whoo)  
(Yeah)  
I choose you
