Damn baby, I just don't understand
Where we went wrong
I gave you my heart
I gave you my soul, I gave you

As a matter of fact
I was the one who said I love you first
It was about 8 years ago
Don't act like you don't know

We were sitting at home
In your mommas living room 'cause
(We couldn't be alone)
See your momma knew
I was something else, she knew how I felt

Back then we were in school
And that's your favorite excuse
Growing up I was a fool
And I can't lie, I'm missin' you

Listen and don't trip
Think I need a bottle with a genie in it
Here's my wish list

(First one)
I would create a heart changing love
(Second one)
I'll take your heart and fill it all up
(Third one)
But I don't need a lot of wishes
'Cause I'll be okay if I get one

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me, I'll trust you

If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
Can you be my wife? Make it right this time

If I had one wish
One wish, one wish, one wish
One wish, one wish, one wish
One wish, one wish, one wish
One, wish, one wish, one wish

And tell me is this the only way
I can get you right back in?
If so, then searching I'll go
Then I can have you for sure

Then you'll be loving me
Holding me, kissing me
So girl don't tell me
What I'm feeling is make believe
I swear if I lose a second chance with you
I wouldn't know what to do

I'd probably check myself in
To some kind of clinic
I couldn't be alone
'Cause without you I'm sick
Here's my wish list

(First one)
I would create a heart changing love
(Second one)
I'll take yours and fill it all up
(Third one)
But I don't need a lot of wishes
'Cause I'll be okay if I get one

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me, I'll trust you

If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
Can you be my wife? Make it right this time

If I had one wish, we would be best friends
(We'd be best friends)
Lovin' never end
(Never end)
It would just begin
(Starting here right now)

If I had one wish, you would be my boo

Promise to love you
(Promise to love)
Trust me I'll trust you
(I trust you)

If I had one wish, we would run away
(Yes, we would)
Making love all day
(It would feel so good)
Have us a baby

If I had one wish, I'd make you my whole life
(Oh, yeah)
Can you be my wife? Make it right this time
If I had one wish

I don't even know
How we ended up on this road
And even though we are grown
Girl I just want you to know

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me, I'll trust you

If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
Can you be my wife? Make it right this time
