

## Mario "If I Hurt You"

Visit "[If I Hurt You](#)" on MotoLyrics.com

I cant live without ya  
I cant live without ya

Girl you got me shook  
After all the fightin  
And the screams  
Snatched up ya keys  
Than ya got in the range  
knowing that its rainin'  
(Why'd I let you go)  
I dont know how long it took  
But I know  
That I drove all around  
tryna calm down  
You wouldnt ansa my calls  
(now im scared girl  
where'd ya go)

Damn girl  
Why'd ya leave like that  
whatever i said  
I didnt mean it like that  
How do'ya expect  
That we can knock  
The fight back  
when you scream like that girl  
I love you more than that  
when a night at the club  
Or a hit off a blunt  
girl i love you more than that  
and a smile and a bud?  
because your all that i want

Chorus (2x):  
I cant for'give myself  
If I hurt you girl  
what do I do  
I cant live witout ya  
I cant live witout ya  
and girl it break my heart

If I broke your heart

and what do i do  
Girl I cant live without ya  
I cant live without ya

Baby I dont care  
If im wrong or right  
(If im wrong or right)  
if I could  
Just love you tonight

Wish I could tell you  
How i feel everything  
That im workin for is yours  
how could i ignore  
when i wanna be yours  
but i slam the door  
(Right on our love)  
What kind of man  
Don't understand  
The difference  
Between a penny n a dime  
musta lost my mind  
me n you were on the grind  
Once upon a time  
(Why'd I let you go)

(Chorus 2x)

Break down

Girl when I find ya  
Im gonna stand right by ya  
Girl your my life  
and I cant live with out you

chorus
