Verse 1:

I didn't know I'd meet you, late that night
It was purely unexpected..
And I didn't know I'd feel you, so damn fast
And I ain't even tap that ass yet

Bridge:

I don't care about the sexual side of you
I'm already inside of you, in your heart (baby)
I don't care about the top or the bottom..
I just want the middle of your heart

Course:

And if I could pick who I love
Ohh I'd be pickin you
And if I could pick who loves me back
Know I'd be pickin you
Cuz im fallin in love with you
Yes im fallin in love with you

Verse 2:

I'm so sick and tired of us fighting
What are we gunna do?
Cuz the only thing I think about now
Is how im gunna be with you
Oh baby

Bridge:

Feeling my position inside of you (yeah)
Guess im already inside of you
In your heart
I don't care about the top or the bottom
I just want the middle of your heart
(oh baby girl)

Course:

And if I could pick who I love
Ohh I'd be pickin you
And if I could pick who loves me back
Know I'd be pickin you
Cuz im fallin in love with you (yeah)

Yes im fallin in love with you (yeah)
And I don't know what to do
As I'm falling in love with you (babe)

Funny thing is, Im singing this song to you
Like you right here with us both
This song aint over
And im singing this song to you (love, love, love, love,
love,)
Yes im singing this song to you
Said im singing this song to you
And I don't know what to do
But just sing this song to you
