I feel you waiting for me to tell you what you wanna
hear
Ill show you baby I know you, yeah girl all of you by in.
So come in love, Ill be your rhythm, baby youll be mine,
Girl we found us a love song, I wanna sing tonight.

Chorus:

And Ill sing it from my heart
Ill kiss you a melody
Ill play your love
A beautiful symphony
And Ill sing, yeah yeah
Ill kiss you a melody
Baby Ill kiss you a melody
Ill kiss you a melody, uh

Girl no one, baby no one,
Gonna show like we do,
The stars about us and sing a chorus
But every note that I play on you.

So come in love, Ill be your rhythm, baby youll be mine,
Girl we found us a love song, I wanna sing tonight.

Chorus:

And Ill sing it from my heart
Ill kiss you a melody
Ill play your love
A beautiful symphony
And Ill sing, yeah yeah
Ill kiss you a melody
Baby Ill kiss you a melody
Ill kiss you a melody, oh oh.

I know theres no one else that sounds like you never
repeat
That gets between us, whenever youre gone
Ill still hear you loud and clear
Every song I made with you
A promise Ill...
Until the next time I can see.

[Chorus:]
