Ohhww
Yeahhh
Oww woahooo

[Verse 1]

I can't slow it down, It keeps speeding up
(My heartbreak, my blood pressure, sweat beading up)
On my forehead
(Trying to maintain control)
Cause of what she said.
(Dammit I can't take no more)
And I am so tired of you accusing, me of shit I know I
don't do.
If your damn girlfriends bring it to you, You instantly
assume that is true so

[Chorus]

Go ahead and join the lonely girls club.
Listen to your friends leave me alone.
You can go and join the lonely girls club.
Its obvious that's what you want, The lonely girls club
Go on, Go on, Go on (The lonely girls club)
Go on, Go on, Go on (The lonely girls club)

[Verse 2]

I can't figure it out, I don't understand
(Why you listen to)
Them girls that don't got a man
She's giving advice
(But she's got all the answers for you)
But they get up on shit (why baby)
They look at use and they get mad
Cause you got what they wish that they had.
They want to split use up ooh so bad.
If you're gone let them do that
Then Go.

[Chorus]

Go ahead and join the lonely girls club.
Listen to your friends leave me alone.
You can go and join the lonely girls club.
Its obvious that's what you want, The lonely girls club

Go on, Go on, Go on (you wanna be a lonely girl)
Go on, Go on, Go on

[Hook]
Listen.
Misery loves company
You make your decision
You listen to them
Before you listen to me
You been recruited
Go and leave

[Chorus X2]
Go ahead and join the lonely girls club.
Listen to your friends leave me alone.
You can go and join the lonely girls club.
Its obvious that's what you want, the lonely girls club

Go ahead and join the lonely girls club
Listen to your friends leave me alone
You can go and join the lonely girls club
Its obvious that's what you want, the lonely girls club

Go on, Go on, Go on the lonely girls club]
Go on, Go on, Go on [you wanna be a lonely girl]
Go on, Go on, Go on [you wanna be]
Go on, Go on, Go on [the lonely girls club]
