You feel so close
But your so far
You don't know me
At all
You say
That I'm perfection
But pay attention
To my flaws
Girl, I'm a player
And that, it's true
And if it's not one
Then girl it's 2
Not saying
I'm going to change
The game for you
But you make me wanna
Give it all to you

(3x):
I'm wanted, single
Got money, got fame
But you can give
A main attraction
Put you in the spotlight
It will be so right
If you come home with me
Come with me tonight
And don't worry
About nothing baby
Cause you will be
The main attraction
Put you in the spotlight
It will be so right
If you come home with me
Come with me tonight
