Couldn't Say No - Mario

Damn...

All i could do

All i could say

is that im sorry

(sorry sorry sorry sorry)Fading

listen to me

i know i really messed up this time

Just here me out

[Verse 1:]

Ohhh.. you should of shown me a little more love

(but still there aint no reason)

for me to walk out on this thing call us

(but you keep giving me the feeling)

that i should throw the towel in

(cause we can't keep each other no way)

cusin me out in front of my friends not giving a damn

on how i feel

[Bridge:]

I dont even want

(i dont want to be the guy that tricks around on you)

and you dont even know

(how many times i asked your momma what i should

do)

And its my fault

(and its my fault im in a situation i may not get through)

i got bad news that i gotta break to you

i know you gonna act a fool but i gotta let her know

[Chorus:]

I had a girlfriend

in between that week we split up

it was looking so good i couldn't say no

I think it's time you know

everytime that i see you with her

i was thinking how i was picking them legs up

it's ashame when a man just can't say no

ohh yea

[Verse 2:]

See what is done is done
and i realize now ain't no taking it back
i committed the worst crime i could eva do to my girl
(damn she ain't neva gonna forgive me)
everytime that you through a fit
my two-way she hits saying "im on the way"
putting it down in out, up and d0wn, anyway that i say
but baby girl i really didn't wanna!

[Bridge:]

She really needs to know!

[Chorus]
