I made it (welcome to the Promised Land)â€¦
I made it (welcome to the Promised Land)â€¦
I made it (welcome to the Promised Land)â€¦
I made it (welcome to the Promised Land)â€¦

For the first time in my life,
I can admit that I really needed a change
'Cause I'm tired of this fighting,
Tired of going back and forth,
It's mainly with myself, 'cause now I see,
I need some help,
And I know we're trying everything else,
So now it's time I try the truth, and it's you,
'Cause girl I've seen the light,
And it's all 'cause of you, and what ya do,
You left my past behind.

[Bridge]

You brought me to heaven, I'm in heaven,
It's like you opened up the gates for me
And let me into your heaven, I'm in heaven.
I never could have made it all by myself.
I heard you saying.

[Refrain]

Welcome to the Promised Land,
Welcome to the Promised Land,
Welcome, welcome,
Baby girl you're heaven sent.
Welcome to the Promise Land, Welcome to the Promise
Land,
Welcome, welcome,
Girl I'm giving up on my sins.

I made itâ€¦
I made itâ€¦
I made itâ€¦
Welcome to the Promised Land.

I made itâ€¦
I made itâ€¦

I made itâ€¦
Welcome to the Promised Land.

It wasn't long after I met you
That I got right, you show me a better place.
And I got an insight
I ain't gon' let it go;
I've waited for too long, I'll stay strong,
I won't do wrong.
'Cause I only can hurt myself,
And that ain't what I'm trying to do; I love you,
'Cause girl I've seen the light.
And it's all 'cause of you, I love you,
'Cause girl you changed my life.

[Bridge]
[Refrain]

If it wasn't for you, where would I be baby? (I had to think about it)
If it wasn't for you, where would I be baby? (The sad part about it is)
I don't know said I don't knowwwâ€¦! don't know, said I don't knowwww
Baby, then I heard you sayingâ€¦

[Refrain]

[Closing]
I made itâ€¦
I made itâ€¦
I made itâ€¦
Welcome to the Promised Land.

I made itâ€¦
I made itâ€¦
I made itâ€¦
Welcome to the Promised Land.

Made it baby,
I made it baby, oh yeah,
Oh, yeah yea, yea,

Welcome to the Promised Land
