Yo, Lone  
Lone  
Come here for a second  
May I let ya  
Whats up?  
Yo, you know that girl you was with the other day  
Yeah  
Yeah, she got a man?  
Maybe, why?  
I'm tryin' get back  
Put me down

Yesterday  
I was playin' ball around my way  
When I saw you with a girl  
That I never seen before  
And girl, I gotta holla

Ooh, tell her I said, what's up  
Ooh, I wanna know, what's up  
Ooh, tell her I'm one  
Of the flyest and I'm H O T  
Ooh, tell her I'm Mario  
Ooh, that I'm a romeo  
Soo, why dont you let her know?  
Can you hook it up for me?

I'm feelin' your girlfriend  
Can you put me on?  
She needs a boyfriend  
Who can put it on  
Ain't gotta be serious  
(Ohh)  
We can just chill and have fun  
(Ohh ah)  
Girl you've got to put me on

I can't wait  
Can you call her up or find some way  
For us to meet and talk  
Hit the movies or let's take a long walk  
Haa

Ooh, tell her I said, what's up  
Ooh, I wanna know, what's up  
Ooh, tell her I'm one  
Of the flyest and I'm H O T  
Ooh, tell her I'm Mario  
Ooh, tell that I'm a romeo  
Soo, why dont you let her know  
Can you hook it up for me?

I'm feelin' your girlfriend  
Can you put me on?  
She needs a boyfriend  
Who can put it on  
(Who can put it on)  
Ain't gotta be serious  
We can just chill and have fun, ah  
Girl you've got to put me on

I'm curious  
I gotta know just how she feels yeah  
I'm serious  
So baby tell me, what's the deal here?  
I know that she's the one  
(The one)  
Don't make me wait too long  
(Too long)  
Girl you know you've got to put me on  
(You know you've got to put me on)

I'm feelin' your girlfriend  
(I'm feelin' your girlfriend)  
Can you put me on?  
(Can you put me on?)  
She needs a boyfriend  
Oh ho  
Who can put it on  
(Who can put it on, yeah yeah)  
Ain't gotta be serious  
We can just chill and have fun
