I Gotta Tell You About A Girl

She's Like A Fresh New Ride Or A Pair Of Nikes
The Kind Of Girl You wouldn't Mind Walkin By Your Side
Show Her Off To Your Friends Push Her Through The
Street
And Watch The Haters Player Hate Cuz She's Wit Me
You See This Aint Yo Ordinary Type Of Chick
She's The One You Wont Be Sharin Yo Boys Wit
Only Call Her On The Weekends When You Wanna Hit
You Know That New Girl In Town, Well She's It

Don't You Look No Further Cuz She's All You'll Ever
Need
Promise You'll Never Wanna Leave Her Cuz She's It
To Simply Satisfy don't Take a lot To Please Her Heart
All You Gotta Do Is Ur Part Cuz She's It
If You Like The Type That don't Fight No Patience Or
Drama
You Can Take Her Home To Mama Cuz She's It
The New Girl Around The Way That Just Moved In The
Other Day
In Apartment 3a Yo She's It

You'll Never Catch Her On The Creep With Another Man
Or Hear Her Askin Who You Wit Again Or Where You
Been
Always Greet You Wit A Smile And A Sweet Kiss
Then Show You Just How Much You Were Missed
The Kind You Always Makin Sure She Lookin Right
Shine Her Wrist And Neck With Diamonds Like Head
Lights
Lace Her Up Wit Designers And Forget The Price
You Know That New Girl In Town... she Is It

Don't You Look No Further Cuz She's All You'll Ever
Need
Promise You'll Never Wanna Leave Her Cuz She's It
To Simply Satisfy don't Take a lot To Please Her Heart
All You Gotta Do Is Ur Part Cuz She's It
If You Like The Type That don't Fight No Patience Or
Drama

You Can Take Her Home To Mama Cuz She's It
The New Girl Around The Way That Just Moved In The
Other Day
In Apartment 3a Yo She's It

You Can Say Whatever But She's It
She's Well Put Together And Fully Equipt
The Top Of The Line The Best There Is
And There Aint No Question About It
I Can Tell She's A Different Type Of Lover
You can't Treat Her Like You Treat The Others
But What You See Is What Your Gonna Get
But What You Want What You Need She's It

[Real:]
Somehow, Some Way Imma Get You Up Out This
Ghetto Girl One Day
Cuz Your It, And I'm Him
We Gone Hit The Highway And Let Them Chrome
Things Spin
If I Say It, It Appears, I'm The Magic Man Dear
We Gone Make The Top Disappear Before We Leave
Here
Told Your Friends That I'm Special, It Replies What I
Mean
I Said Look Girls Wit Black Rows, Rows And Queens
And God Damn, If You Aint The Sexiest Thing
Got Me Thinkin Them Never Thoughts, Like Coppin U A
Ring
2-steppin Down The Aisle Pole While The Choir Sings
Got The "be Wed" Sight, I Swear I Seen It In My Dreams
With No Worries Get Love From The North To The South
Imma Trick Daddy Shit, I Stay Polloed Out
I'm A Little Different, I Pull The Volvo Out, The Drop Top
Like Diddy Ma, We Wont Stop
Since I can't Dribble Out This Mutha Fucka
Imma Use My Rap And Riddle Out This Mutha Fucka
No More Second Floors I Spiddle Out This Mutha Fucka
One Promise, Imma Get You Out This Mutha Fucka
Somehow

She's It
Don't You Look No Further Cuz She's All You'll Ever
Need
Promise You'll Never Wanna Leave Her Cuz She's It
To Simply Satisfy don't Take a lot To Please Her Heart
All You Gotta Do Is Ur Part Cuz She's It
If You Like The Type That don't Fight No Patience Or
Drama
You Can Take Her Home To Mama Cuz She's It
The New Girl Around The Way That Just Moved In The

Other Day
In Apartment 3a Yo She's It [x2]
