everyday, i cant wait to see your face and everytime i
hear your voice i cant feel a thing cause

sing to me such a perfect melody and i just wanna be
your harmony heaven must be missing an angel cause
baby

when you see the clouds go off in my head and my
world comes tumbling down ohh ohh ohhh when you
sing to me
just sing a song (a song) to me

your the perfect melody and i love it when you sing to
me oh babe i love it when you sing to me in the rain
about everythang yeaahh i get lost in your lullaby
especially when you hit the high notes on top of me
perfect when your right on key yeah yeah and when
you sing the words come into my head and my world
comes tunbling down ohh ohh ohh

when you sing to me come sing a song to me you never
seem to hit the wrong key your the perfect melody
come sing a song to me oh yeah you never seem to hit
the wrong key your the perfect melody and i love it
baby sing a song you light up the whole of me and the
whole world stops for you and now take a bow (take a
bow)

oh baby when you sing yeah yeah oh sing a song to me
yeahh yeah never seem to hit the wrong key sounds
like yeah yeah your the perdfect melody

come sing a song to me oh yeah you never seem to hit
the wrong key your songs like yeah yeah your the
perfect melody i love it when you sing to me (sing to
me)
