(Intro)

You left me for somebody else  
You left me for somebody else  
You left me for somebody else  
You left me for somebody else

(Verse)

I never saw the day coming  
That you would ever wanna leave me  
Baby you told me no matter where you are  
You'd always be with me  
Always be for me, yea baby

(Pre-Chorus)

Now I'm all alone  
Said she wanna be gone yea  
I don't really like it  
But I gotta take it  
Damn damn damn now  
When you're coming back?  
So you're never coming back, yea  
I I I don't believe that  
But right now I gotta accept the fact yea

(Chorus)

You left me for somebody else now  
I wish never allowed ya  
You left me, baby you left me  
Girl, I guess I'll take it off your love  
You left me for somebody else now  
Girl I wish I never met you  
You left me, baby you left me  
'Cause I wouldn't be alone

(Verse)

Girl, your beauty  
Made me feel like you were my everything  
Made me think you was fresher, no  
Yea, I got issues, like you're any better  
Said you will always be there but I just lost my girl

(Pre-Chorus)

Now Iâ€™m all alone  
Said she wanna be gone yea  
I donâ€™t really like it  
But I gotta take it  
Damn damn damn now  
When youâ€™re coming back?  
So youâ€™re never coming back, yea  
I I I I donâ€™t believe that  
But right now I gotta accept the fact yea

(Chorus)

You left me for somebody else now  
I wish never allowed ya  
You left me, baby you left me  
Girl, I guess Iâ€™ll take it off your love  
You left me for somebody else now  
Girl I wish I never met you  
You left me, baby you left me  
â€™Cause I wouldnâ€™t be alone

(Verse)

How would you have learned if I didnâ€™t leave?  
I guess I was way too naive  
I should have been checked you  
But I let you get mad, disrespectful  
You couldnâ€™t be serious, boy is youâ€™...  
Lookin at my new man, wish it was you  
But you dead now  
The sign of the cross on your chest and yo head now  
Guilty is what you feel now  
Left Queens for Brooklyn, Iâ€™m on a belt now  
Stupid is what you felt now  
When you see me on TV have a meltdown  
Bombs away  
Tryna sneak tip heavily when sloms away  
But we going for that end, got time a day  
How Iâ€™mma tell Chanelle get that Lagerfeld

(Pre-Chorus)

Now Iâ€™m all alone  
Said she wanna be gone yea  
I donâ€™t really like it  
But I gotta take it  
Damn damn damn now  
When youâ€™re coming back?  
So youâ€™re never coming back, yea  
I I I I donâ€™t believe that  
But right now I gotta accept the fact yea

(Chorus)

You left me for somebody else now  
I wish never allowed ya  
You left me, baby you left me  
Girl, I guess Iâ€™ll take it off your love  
You left me for somebody else now  
Girl I wish I never met you  
You left me, baby you left me  
â€™Cause I wouldnâ€™t be alone
