Hey girl  
i'm surprised that you called  
cause i been thinkin bout ya (cause i been thinkin bout  
ya)  
been on my mind all night long  
i damn near dreamt about ya (damn near dreamt about  
ya)  
in the middle of the night i be lookin in the mirror  
like whatcha doin now (doin now)  
damn i'm trippin, i must be slippin  
i think i'm fallin now  
and girl i know  
i'm a player fo sho'  
because of all the things that you've shown me,  
girl it's caused me to grow  
but a part just wanna stay and chill  
but i gotta be honest and face whats real

i'll be glad when it's over (over)  
then i can breathe again  
somethings taken over  
ooh and it won't let me in  
i think i need a four leaf clover (clover)  
feel like i got a hangover  
wish i could start over, babe  
(repeat)

said it's kinda hard now

thinkin bout what i've done  
just to have it all but now,  
now i'm guessin  
is it a curse so we're blessin now

i'll be glad when it's over (over)  
then i can breathe again  
somethings taken over  
ooh and it won't let me in  
i think i need a four leaf clover (clover)  
feel like i got a hangover  
wish i could start over, babe  
(repeat)

i'll be glad when it's over (over)  
then i can breathe again  
somethings taken over  
ooh and it won't let me in  
i think i need a four leaf clover (clover)  
feel like i got a hangover  
wish i could start over, babe  
(repeat)
