God damn, so sexy baby,  
Today I'm on my way, on my way  
â€¦ I did off  
I'm sexy but I'm strain, I know just what to do for you  
Now don't put the â€¦ down, no interruptions I won't be  
in time for long  
We gonna go a couple rounds, but there's one thing I  
need you to do  
Can you stretch for me, I wanna stretch your body over  
bed, spread your body  
Baby can you stretch for me, just wanna take your body  
to the max  
This is what I want to see, â€¦, baby can you stretch for  
me, â€¦ just won't be the same  
Stretch for me, for me, for me, for me, for me,  
Stretch for me, for me, for me, for me, for me,  
Would you try something?

Put your love â€¦ hands on the vcr, let me â€¦ tell me if I  
take it too far  
Sometimes I take control myself stretch is good for  
yourself, let's create our own positions  
â€¦ in the mirror like this is a movie  
Gotta catch my breath this next part is gonna last  
You say â€¦ I say you ain't gotta ask, baby girl I swear I  
have only one request  
Baby can you stretch for me, I wanna spread your body  
on the bed  
Baby can you stretch for me, just wanna take your body  
to the max  
Oh, this is what I want to see, â€¦  
Maybe can you stretch for me, I â€¦ just won't be the  
same, stretch for me, to me, to me, to me, to me

Stretch for me, to me, to me, to me, to me

Baby can you stretch for me, I wanna spread your body  
over bed  
Baby can you stretch for me, just wanna take your body  
to the max  
This is what I want to see, â€¦

Baby can you stretch for me, I ain't just won't be the  
same, stretch for me, for me, for me, for me,  
Stretch for me.
