And everyone around us is leaving  
Thats when I want you to come closer  
Shawty your the only one that im needing  
So when the afterparty is over  
And for no particular reason  
I want you to pull me in closer  
And tell me that tonight you aint leaving

(Verse 1)

Its 2:30 and it seems like everybody is about to leave  
And I can see you reaching out for me  
Without a single word I know just what your thinking

Cause I like to see that theres chemistry between you  
and me  
Im pretty sure we'll make that good old kind of love
