Girl I been watching you for a very long time
And ther's no doubt in my mind that you're not the one
for me
.....can't you see
And I don't wanna seem pushy
But listen girl, your body saying something to me girl
I may be only 15
But that don't really mean that I could be here talking to
you

Chorus
Would you let me know
If you want me to treat you to a picture show
(don't you say no tonight)
And I wanna if you let me kiss you one time before i
take you home
The suspense is killing me girl

What yo name is
Can I be the only one that you be claiming
What yo name is
When you be out with yo girls you be banging
What yo name is
Can I be the only one you be kicking it with
What yo name is, girl
Cause i know when I be spitting you be with it
Girl What yo name is, yeah

Girl all yo friends may say that I'm too young for you
Yes they do
But baby age ain't nothing cause I know what to do
yes I do
I'll be your friend and when your all alone
Talk to you all night 'til we fall asleep on the phone
So baby quit playing games
You know I'm feeling you
You know you got it that way girl

Chorus

Oh, girl tell all your friends to go away
So far, far away

Cause I wanna spend my time with you
I wanna chill with you, roll with you, be with you forever
and ever and ever and ever

Chorus
Repeat

Would you tell me or let me know it before I go
Repeat(10x)
