Girl, I've been watchin' you for a very long time  
And there's no doubt in my mind that you're not the  
one for me  
Can't you see and I don't wanna seem pushy, but listen,  
girl  
Your body's sayin' somethin' to me, girl  
I may be only fifteen but that don't really mean  
That I can't be here talkin' to you

Will you let me know  
If you want me to treat you to a picture show?  
(Don't you say no, tonight)  
And I wanna know if you'll let me  
Kiss you one time before I take you home  
(The suspense is killing me, girl)

What your name is?  
Can I be the only one that you be claimin'  
What your name is?  
When you be out with your girls you be bangin'  
What your name is?  
Can I be the only one that you be kickin' it with?  
What your name is, girl?  
'Cause I know when I be spittin' you be with it  
Girl, what your name is, yeah?

Girl, all your friends may say that I'm too young for  
you, yes they do  
But baby, age ain't a thing 'cause I know what to do,  
yes I do  
I'll be your friend and when you're all alone  
I'll talk to you all night till we fall asleep on the phone  
So baby, quit playin' games, you know I'm feelin' you  
You know you got it that way, girl

Will you let me know  
(Uh huh)  
If you want me to treat you to a picture show?  
(Please don't say no, tonight)  
And I wanna know if you'll let me  
Kiss you one time before I take you home  
(Before I take you home)

What your name is?  
(What your name is?)  
Can I be the only one that you be claimin'?  
(Oh, girl)  
What your name is?  
When you be there with your girls you be bangin'?  
(You be bangin', bangin', bangin')

What your name is?  
Can I be the only one that you be kickin' it with?  
(The one that you be kickin' it with)  
What your name is, girl?  
'Cause I know when I be spittin' you be with it  
(You be with it)  
Girl, what your name is, yeah?  
(What your name is?)

Oh, girl, tell all your friends to go away  
So far, far away 'cause I wanna spend my time with you  
I wanna chill with you, roll with you, be with you  
Forever and ever and ever and ever and ever

What your name is?  
Can I be the only one that you be claimin'?  
(This don't make no sense, girl)  
What your name is?  
(I need to know right now)  
When you be there with your girls you be bangin'  
(You be bang, bangin')

What your name is?  
(Oh girl)  
Can I be the only one that you be kickin' it with?  
(Can I be, can I be?)  
What your name is, girl?  
'Cause I know when I be spittin' you be with it  
(You be with it, girl)  
Girl, what your name is, yeah?

Can I be, oh yeah, I gotta know, girl, oh  
Said I gotta know, said I gotta know  
I wanna be with you, in my world with you  
Girl, don't be afraid, ignore my age  
'Cause I'm just made for you, baby

What your name is?  
Can I be the only one that you be claimin'?  
(Can I be, oh yeah, tell me why? )  
What your name is?  
When you be out with your girls you be bangin'

(Said I gotta know, said I gotta know)

What your name is?

Can I be the only one that you be kickin' it with?

(Be the one you kick it with)

What your name is, girl?

'Cause I know when I be spittin' you be with it

Girl, what your name is, yeah?

Won't you tell me, let me know it before I go

Won't you tell me, let me know it before I go

(Let me know, let me know, let me know, yeah)

Won't you tell me, let me know it before I go

(Oh yeah)

Won't you tell me, let me know it before I go

(Oh yeah)

Won't you tell me, let me know it before I go

(Before they shrank a war )

Won't you tell me, let me know it before I go

('Cause I'm with another special lady to let me know)

Won't you tell me, let me know it before I go

(Said I gotta know, let me know)

Won't you tell me, let me know it before I go

(Said I gotta know, said I gotta know)

Won't you tell me, let me know it before I go

(What your name is?)
