Who am I
Who am I

It was all good just a week ago
I remember cruising down I-95
Come and get your doe
So we can go to the hood
Cause that's where all your girlfriends get their hair
done nails done
Hurry up and get it done
Soon as I said it then the shots sprung out
They popped my girl
Took her down
And instantly she's out
I ran over to the car to get my gun out
And put it to my head
And then I heard a voice say

(Who who)
Who am I (to doubt)? (Who who)
Who am I 9to doubt)? (Who who)
I question the inevitable

These days I got more questions than Jadakis
How the hell do we get to situations like this?
So unfortunate
I'm talking bout Katrina
9/11 do you know what I mean
Can you explain
Odd its's just to me
Time is running out
I can feel I'm getting old

It seems the only way is to save souls
Don't wanna live cause I can't take no more
But who am I to doubt

Who am I? (Who who)
To question the inevitable
Who am I (to doubt)?
Who am I? (Who who)
Oooh

Who am I to doubt !
Yeah
Who am I to doubt
Yeah
And question the inevitable (Who who)
Now I know not to doubt no more
Girl I wish you were here right now
Yeah
inevitable whoa

Who am i to doubt? (who who)
Who am I to doubt?

& question the inevitable?

Who Who

Who am I?
