If I see problems I look in your eyes
Who likes to know that I'm on your side
Villains and thieves they better beware
Into the plans I'll throw a big scare

My name is Rex
I am best friends with the people
Rex, I'm going out on a struggle
Give the command, I'm off to the chase
Running, jumping, solving the case

Villains and thieves they better beware
Into the plans I'll throw a big scare

My name is Rex
I'm best friends with the people
Rex, I'm going out on a struggle
Give the command, I'm off to the chase
Ram, jam, solve the case
My name is Rex

I come from Vienna
I transferred to Rome
Eternal city and now I'm at home
Climate is different, problem the same
Catching the bad guys, a part of my fame

Rex, I'm best friends with the people
Rex, I'm going out on a struggle
Give the command, I'm off to the chase
Ram, jam, solve the case
My name is Rex
My name is Rex
My name is... Rex
