(Usher, Usher)
(Watch this)
(Usher)

[Verse 1:]

You lookin so sexy, girl,
I think I'm bout to make my first baby.
And I'm a get all up in your middle, shawty,
I'm about to make you turn crazy.

[Bridge:]

(Cause your body's callin me)
And I got the answer.
I got what you've been lookin for,
You're my private dancer.
I wanna give you all of me.
I'm caught with my hands up.
But we ain't gotta rush it baby.

[Chorus:]

I wanna do it slow.
Cause if we take our time I know I'll do it right, girl.
Slow.
You'll be all mine by the end of the night, girl.
Slow.
Oh baby,
No one can touch your body
Like I'm a touch your body, baby.
Slow.
We gon take it
Slow.
We gon take it
Slow.

[Verse 2:]

(Watch this)
Oh I'm gonna take off all your clothes,
And I'm a tie your pantyhose around your eyes, girl.
And that'll be your sexual disguise.
Trick or treatin, kissin up and down your thighs, girl.
(Down your thighs, girl)

[Bridge:]
(Cause your body's callin me)
And I got the answer.
I got what you've been lookin for,
You're my private dancer.
I wanna give you all of me.
I'm caught with my hands up.
But we ain't gotta rush it baby.

[Chorus:]
I wanna do it slow.
Cause if we take our time I know I'll do it right, girl.
Slow.
You'll be all mine by the end of the night, girl.
Slow.
Oh baby,
No one can touch your body
Like I'm a touch your body, baby.
Slow.
We gon take it
Slow.
We gon take it
Slow.

[Hook:]
(It's okay)
It's okay, girl, for you to lose control.
Get up on it, girl, if you want it.
But we gotta take it slow.
(Take it slow)
I know you need it like I need it, babe.
And I'm gonna give you everything your body wants.
But we gotta take it slow.

And I know you're gonna like it.
Uh huh.
Can I kiss right there?

[Bridge:]
(Cause your body's callin me)
And I got the answer.
I got what you've been lookin for,
You're my private dancer.
I wanna give you all of me.
I'm caught with my hands up.
But we ain't gotta rush it baby.

[Chorus:]
I wanna do it slow.
Cause if we take our time I know I'll do it right, girl.
Slow.

You'll be all mine by the end of the night, girl.

Slow.

Oh baby,

No one can touch your body

Like I'm a touch your body, baby.

Slow.

We gon take it

Slow.

We gon take it

Slow.
