She got me under the influence
Making me feel I could fly up so high
With her love, it's my trust
Gotta admit I'm addicted
She got me under the influence
Making me feel I could fly up so high
With her love, it's my trust
Gotta admit I'm addicted
To her love

When I'm with her
She makes forget about every care in the world
And I ain't ever had no other trust
Takes my mind to the place that she takes me
And when I need a fix, I hit her up
She is my remedy, I don't know
What I would do if I couldn't have it

I can't give uh up, no matter how hard I try
Cause my mind won't let her go
She put a spell on me, I can't believe she got me

She got me under the influence
Making me feel I could fly up so high
With her love, it's my trust
Gotta admit I'm addicted
She got me under the influence
Making me feel I could fly up so high
With her love, it's my trust
Gotta admit I'm addicted
To her love

When she ain't there
My body trembles, I start to go through withdraws
Because I need her, to stay in my system
This feeling, I don't wanna leave
If I need a fix, she fix me up
And gives me just what I need up
She's my fuel to my fire
And I gotta have her

I can't give uh up, no matter how hard I try

Cause my mind won't let it go
She put a spell on me, she got me

She got me under the influence
Making me feel I could fly up so high
With her love, it's my trust
Gotta admit I'm addicted
She got me under the influence
Making me feel I could fly up so high
With her love, it's my trust
Gotta admit I'm addicted
To her love

You got me feeling so helpless
Draining me till there's nothing left
I can't sleep, cause I can't wait to get a dose of your
love

She got me under the influence
Making me feel I could fly up so high
Her love, is my trust
Gotta admit I'm addicted
She got me under the influence
Making me feel I could fly up so high
Her love, is my trust
Gotta admit I'm addicted
To her love
