Art of Virtue  
Adrienne Young / Will Kimbrough

Gonna start a revolution,  
Made of action, not of words  
Practicing the Art of Virtue  
A joy ride on the learning curve

Gonna keep my eyes wide open  
Till I have something to say  
Start to put my house in order  
Save some money for a rainy day

Gonna do just what I ought to  
Finish what I say I'll do  
Spend my time on something useful  
Worry less and speak the truth

I'd like to learn some moderation  
Know just when enough's enough  
Meditate on being tranquil  
Injure none and bear no grudge  
I let go of my resistance  
Son of God is inside me  
I'm waitin' for the real thing, honey  
Ain't nothin' wrong with chastity

If I could walk the path of Jesus  
Live each day the best I can  
Follow in those humble footsteps  
I might reach the promised land

Gonna start a revolution  
Made of action, not of words  
Practicing the Art of Virtue  
A joy ride on a learning curve

Come and join this revolution  
Made of action, not of words  
Practicing the Art of Virtue  
It's all the rage, oh have you heard?
