Jump the Broom

Adrienne Young / Will Kimbrough

"Join two hands, this broom step over  
take a sweet kiss from your own true lover"

Diamond birthright Painted Flower  
Seventeen years and sixteen hours  
Out the window stares a girl  
Kentucky wonder head full of curls  
She ain't my mama this ain't my world  
Too much swine for just one Pearl

Jump the broom, jump the broom  
Fly me away from this dark room  
Can't go too far can't leave too soon  
Love take my hand let's jump the broom

Broken bottle on the floor  
Whiskey drippin' down through the boards  
Old man shoutin' come back and fight  
Young man run into the night

Was late ast summer down by the creek  
Two young lovers fell warm and sweet  
Kindred spirits kindred scars  
Jordan's Banks didn't seem so far

Jump the broom, jump the broom  
Fly me away from this dark room  
Can't go too far can't leave too soon  
Love take my hand let's jump the broom

New moon risin' dark and still  
Pearl's a droppin' from her windowsill  
Tears burn and gather in brown eyes  
Little sister waves goodbye

Now young Corey's waitin' down by the gate  
Can't call the preacher  
It's much too late  
But that don't stop his bended knee no no

Pretty Pearl girl marry me!

Jump the broom, jump the broom  
Fly me away from this dark room  
Can't go too far can't leave too soon  
Love take my hand let's jump the broom
