### Lonesome Road Blues

I walked on down that lonesome line  
Hung my head and I cried  
I wept and I cried under a willow tree  
Out by the deep blue sea  
My mama, my dear papa can be found,  
And my brother on a county road  
Now I been down that long plank walk,  
I'm on my way back home

You cause me to weep, you do cause me to moan  
You cause me to leave my home  
I cried last night and the night before  
I swear I won't cry anymore

Your fast mail train comin round that track  
Killed my brown eyed boy  
They took him down that smokey track  
Brought him back on a cooling board  
Now I'm lookin down that lonesome line  
Just as far as I care to see  
I have no money lost my brown eyed boy  
These blues won't set me free

You do cause me to weep, you do cause me to moan  
You cause me to leave my home  
I cried last night and the night before  
I swear I won't cry anymore
