My Sin is Pride
Will Kimbrough / Tim Littlefield
I let you walk away
I kept it all inside
Swore you'd be back someday
My Sin Is Pride

I could have reached out to you
But I felt like my hands were tied
I'm always bound to prove
My Sin Is pride

Wasted so many words
When I told the truth I lied
I never will confess
My Sin Is Pride

I've chosen a narrow path
Lost sight of the road so wide
But I never will look back
My Sin Is Pride

Nobody sees the pain
Nobody knows I've cried
I never will confess
My sin is pride
I never will confess
My Sin Is Pride
