We don?t gamble, we don?t do the stock exchange
We paint paintings, we write scenes for the stage
We will talk about welfare, we will talk about sex
Talk about the pope in Prada shoes
Nobody gets upset, nobody gets upset

And we?re waiting
We?re waiting for your call
We?re against privacy
We?re against privacy

Forget ex-girlfriends, we want little governments
We tell stories, we want to get you to join in
Call us optimistic, we get the meanest looks
We emboss the romantics
History books will show, history books will show

And we?re waiting
We?re waiting for your call
We?re against privacy
We?re against privacy

And we?re waiting, and we?re waiting
We?re waiting for your call
We?re against privacy
We?re against privacy

And we?re waiting
And we?re waiting for your call
We?re sure that you?ll agree
