Wonder why you don't April  
Wonder why you hate the spring  
Wonder why you don't April  
Oh, why don't you say?

My old friend, he gets around  
He does favors fully on down town  
He didn't know it would be a set of cops around.  
That was when we started fighting  
That was when I moved out  
That was just the beginning  
Look at me now!

Oh, my poor woman  
Water is for fish like air is for men  
You can't fight against the law  
Oh, good times never call  
On you because the good times never call  
When you're waiting by the phone  
The good times never call on you unless you do it too  
Unless you do it too!  
Unless you do it too, oh!

I have given up, explaining sorrow!  
Oh, I have given up on my hotel  
I'm up here dancing like a martyr  
But I have given up on casting spells  
Oh, I have given!  
Miss Lonelyhearts, Miss Lonelyhearts  
Dear Miss Lonelyhearts

Miss Lonelyhearts, you've got to kill me  
I have tried most everything  
Show them my head any hard then  
Show them drinking kerosene  
Oh, I am giving!

Oh I am giving  
Up, up, I got no one to call  
Are you giving up Dear Miss Lonelyhearts  
Are you giving up, got no one to call

Are you giving up Dear Miss Lonelyhearts
