So to speak  
breathing deep  
face and hands  
chilly sweat  
phone to ear  
eyes to mirror  
wall to wall  
connection's clear

saw you Sunday  
torn in two  
my demons took up  
the whole church pew  
sleep walked up received  
the bread and wine  
begging Jesus to cleanse my mind  
begging Jesus to cleanse my heart  
begging Jesus to cleanse my soul

don't let your love grow away from me  
don't let your love grow away from me  
shocked to find  
all my words  
won't save me this time  
no I won't quiet down  
and you'd think by now  
I bow out gracefully  
goodbye to the show

don't let your love grow away from me  
don't let your love grow away from me  
I could rip  
I could tear  
our memories' seams  
I could fold  
show my hands  
as naked as thieves  
but I stare at this bridge  
the cracks underneath

don't let your love grow away from me

don't let your love grow away from me  
shocked to find  
all my words  
won't save me this time  
no I won't quiet down  
and you'd think by now  
I bow out gracefully  
and goodbye to the show
