Something is not right with me!
Something is not right with me!
Something is not right with me!
How was I supposed to know?

Something is not right with me!
Something is not right with me!
Something is not right with me!
Tryin' not to let it show!

I tryed to call you collect
You said you would not accept
Your friends are laughin' cause
No body uses pay phones

Gave me quarters to select
So I'm on the jukebox again
People dancin'
Shoulda never chose "Girlfriend"

Something is not right with me!
Something is not right with me!
Something is not right with me!
How was I supposed to know?

Something is not right with me!

Something is not right with me!
Something is not right with me!
I'm trying not to let it show!

Crash into the people who're
Sleepin' late into the evening
Reach behind they can hardly find their spines

Crash into the people who're
Sleepin' late into the evening
Reach behind they can hardly find their spines

Crash into the people who're
Sleepin' late into the evening
Reach behind they can hardly find their spines

You said ??????? cause
I trye to fa;ljkeoimce
It was smokey but it died in your front yard

You find out who's datin' who
But when it comes to you
Hope is pullin' punches
With different ways in my mind
