I got dragged  
Into this wedding with my friend Maurice  
Hoping to dance and drink some fine champagne  
Still get out early enough to drive your car  
Out to the ocean  
But the clouds were lost  
And all the songs were sweet

Starry eyed  
I'm sentimental and I get sucked in  
To any union  
Promising away  
Like it's so easy to know how you'll be  
Come anniversary

Oh, I can keep a promise  
No, I can't keep a secret

She's in bloom  
Her lips and shoulders dressing up this room  
Dancing like the wedding's ended and..Ã,Â ?

I've got time  
I've been around and I've got time  
But it's a crime to sit and wonder  
And oh, it's a crime, oh

If you knew, oh  
If you knew, oh

I am in love with everyone here  
I am in love with everyone here  
No, I'm not in love with anyone dear  
I'm not in love

She's in bloom  
Her lips and shoulders dressing up this room  
Dancing like the wedding's ended and..Ã,Â ?

But I've got time  
I've been around and I've got time

And it's a crime to sit and wonder  
And God, it's a crime

I can keep a promise  
No, I can't keep a secret  
Oh, I can keep a promise  
No, I can't keep a...

Na, na, na, na, no  
No, no, no  
No
