Scinne cu'mme 'nfunn 'o mare a truva'  
chell ca' nun tenimme cca'  
viene cu'mme e accumiencie a capi'  
comm' e' inutile sta' a suffri'  
guarda 'stu mare  
ca' ce 'nfonne 'e ppaure  
sta cercann 'e ce 'mpara'

Ah, ir mÃs allÃs  
donde las almas vuelan lejos del dolor  
tarde Ãs temprano llega el tiempo de aprender  
Ah Ãs quiÃs lo harÃs?  
solo quien tiene el coraje de jugar  
respirando todo el aire de la vida

Saglie cu'mme  
e accumiencie a canta'  
'nziem'e nnote ca' ll'aria da'  
senza guarda' tu continua a vula'  
mentre 'o viento ce porta lla'  
addo' ce stanno  
'e pparole cchiu' bbelle  
e te piglie pe' te 'mpara'

Ah, ir mÃs allÃs  
donde las almas vuelan lejos del dolor  
tarde Ãs temprano llega el tiempo de aprender  
Ah Ãs quiÃs lo harÃs?  
solo quien tiene el coraje de jugar  
respirando todo el aire de la vida

Torna ese mar - en lo profundo  
junto a mi - se descubre otra vez  
cuanta gracia el mundo da -  
tu inocencia es la guÃa  
mira ese mar - hasta el fondo  
vuela a mi lado  
como el sol nos reflejarÃs

Ah, ir mÃs allÃs  
donde las almas vuelan lejos del dolor  
tarde Ãs temprano llega el tiempo de aprender

Ah ¿quién lo haré?  
solo quien tiene el coraje de jugar  
respirando todo el aire de la vida

-----  
Come down with me into the deep sea  
To find what we don't have here anymore  
Come with me and start to understand  
How useless it is to keep on suffering  
Look at this sea  
It appears to fill us with fear  
But in reality it's trying to teach us

Ah, going much further  
Where souls fly, far from sorrow  
Sooner or later comes the times to learn  
Ah, but who will do that  
Only the ones daring to play  
Breathing all the spirit of life

Get out  
And start to sing along with me  
Those notes that the wind suggests  
Don't look down, just keep on flying  
While the wind carries us  
To where the most  
Beautiful lyrics in the world exist  
Those words pervade us and made us realize

Ah, going much further  
Where souls fly, far from sorrow  
Sooner or later comes the times to learn  
Ah, but who will do that  
Only the ones daring to play  
Breathing all the spirit of life

Come sail - down deep  
Wrong with me - let's discover again  
How much grace the world still owns -  
Your innocence will guide you  
Look at the sea - down at its bottom  
Fly by my side  
As sun the sky will reflect us

Ah, going much further  
Where souls fly, far from sorrow  
Sooner or later comes the times to learn  
Ah, but who will do that  
Only the ones daring to play  
Breathing all the spirit of life
