Kill the lights

Hello ladies and gentlemen  
I'm glad you've graced me with your presence  
You're in time to see me wrestle with my conscience  
Staring into the silence, you see I came to save the  
stage  
I hope I'm not too late

Passion called from back behind the curtain  
Screaming, "Sonny, this is urgent fill these 50 voices  
with a purpose  
But don't just give it away inspiration isn't cheap these  
days  
You better make them earn it"

You better  
Make them earn it  
Make them earn it  
You better  
Make them earn it  
Make them earn it

How do I address a letter to my generation?  
"Sonny", she said, "Save yourself the postage"  
How do I address a letter to my generation?  
"Sonny", she said, "Sing it in person"
