Lyrics & Music: Jos? Mar?a Cano  
(feat. Sarah Connor)

No ha salido el sol  
y Ana y Miguel  
ya prenden llama.  
Ella sobre el  
hombre y mujer  
deshacen la cama.

Y el mar, que esta loco por Ana,  
prefiere no mirar,  
los celos no perdonan al agua, ni a las algas, ni a la  
sal.

Al amanecer  
ya esta Miguel  
sobre su barca.  
"Dame un beso amor,  
y espera quieta  
junto a la playa".

Y el mar murmura en su lenguaje:  
"Maldito pescador!,  
despidete de ella.  
No quiero compartir su corazon".

Y llorar, y llorar, y llorar por el.  
Y esperar, y esperar, y esperar de pie  
en la orilla a que vuelva Miguel.

Dicen en la aldea  
que esa roca blanca es Ana.  
Cubierta de sal y de coral  
espera en la playa.

No esperes mas, nina de piedra.  
Miguel no va a volver.  
El mar le tiene preso  
por no querer cederle a una mujer.

Y llorar, y llorar, y llorar por el.  
Y esperar, y esperar, y esperar de pie  
en la orilla a que vuelva Miguel.

Incluso hay gente que asegura  
que cuando hay tempestad  
las olas las provoca  
Miguel luchando a muerte con el mar.

Y llorar, y llorar, y llorar por el.  
Y esperar, y esperar, y esperar de pie  
en la orilla a que vuelva Miguel.

----

Dead Nature

The sun hasn't come out yet  
and Ana and Miguel  
are already on fire  
Her, upon him  
a man and a woman  
making a jumble of their bed

And the sea, which is crazy for Ana,  
prefers not to watch,  
jealousy does not spare the water, nor the seaweed,  
nor the salt

By dawn  
Miguel is all ready  
in his boat  
"Give me a kiss, my love,  
and wait calm  
next to the shore

And the sea murmurs in its own language:  
"Damn you, fisherman!,  
say goodbye to her  
I don't want to share her heart

And crie, and crie, and crie for him  
And wait, and wait, and wait standing upright  
on the shore for Miguel to come back

They say in the village  
that that white rock is Ana  
All covered up with salt and corals  
she's waiting on the beach

Don't wait any more, stone girl

Miguel is not coming back  
The sea has him captured  
not wanting to give him to a woman

And cry, and cry, and cry for him  
and wait, and wait, and wait standing upright  
in the shore for Miguel to come back

There are also those who reassure  
that whenever there is a storm  
the waves are evoked  
by Miguel who is fighting to death against the sea

And cry, and cry, and cry for him  
and wait, and wait, and wait standing upright  
in the sea shore for Miguel to come back
