If you don't have time for a thought to show you care, If
you don't have time to call or just be there, If you don't
have time to feel or to cry,
All your dreams in color will fade to black and white. No
more love in your eyes, no more sun in the sky

It's time for me to say goodbye. To look to the horizon
for a star up in the sky
Let the morning be your witness
To the moment this love dies.
It's time for me to say goodbye
And rise to a new dawn in my life

If your words have no more voice to comfort me, If your
hands have no more need to reach for me, If your eyes
have no more light to shine for me, Than I will find my
way through darkness, to a new day. No more clouds,
no more fears, No more doubts, no more tears.
It's time for me to say goodbye
To look to the horizon for a star up in the sky
Let the morning be your witness
To the moment this love dies
It's time for me to say goodbye
And rise to a new dawn in my life.

And with every new dawn
I will go on, I will go on

It's time for me to say goodbye
To look to the horizon for a star up in the sky
Let the morning be your witness
To the moment this love dies
It's time for me to say goodbye
And rise to a new dawn in my life

I will go on!
